COLORADO
Congressional District Profiles
2021

About these profiles
Small businesses are defined here as firms with fewer than 500 employees. Congressional district boundaries correspond to the 116th Congress. A gray area on a map showing share of workers self-employed indicates that Census reported zero total employment in that area. Data analyzed here predate the COVID-19 pandemic, which has had impacts on businesses that have differed by industry, geography, and demographic group. Electronic versions of these and other geographic profiles are available online, including extensive profiles of Colorado and the United States. Visit advocacy.sba.gov for additional resources.
